PROFESSIONAL EXPERIENCE

Frontend Developer Intern

Pixel and Mortor | November 2023 - January 2024

- Strengthened Proficiency in HTML, CSS and JavaScript, applying theoretical knowledge to practical scenarios during the internship.
- Gained exposure to frontend frameworks and libraries such as Bootstrap and React Js acquiring valuable insights into industry best practices and coding standards

PROJECT DETAILS

- PROJECT** : CHAT APP
- Year** : November 2023 - January 2024
- Tool** : React Js
- Description** : Created a classic Chat App using React Js. Chatting app allows you to communicate with your customers in web chat rooms. It enables you to send and receive messages. Chatting apps make it easier, simpler, and faster to connect with everyone and it is also easy to use.

ROLES AND RESPONSIBILITY

- Design and develop visually appealing and responsive user interfaces using HTML, CSS and JavaScript.
- Utilize and leverage frontend framework and libraries, such as Bootstrap, React Js, to enhance code maintainability.
- work collaboratively with cross-functional teams, including back-end developers and designers, to ensure seamless integration of frontend and backend components.
